GEO. A. LEWIS, Publisher.

A WEEKLY PAPER—DEVOTED TO LOCAL AND SOCIETY NEWS.

TERMS: \$1.00 In Advance

VOL. XXIV.

FRANKFORT, KENTUCKY, SATURDAY JULY 6, 1901.

NO. 43

NEW COURT ORGANIZED.

The U. S. Court for the Eastern District of Kentucky was formally organized at Covington, on Monday last. Judge A. M. J. Cochran was sworn in as Judge by Judge Walter Evans, of the Western District; Mr. Jos. B. Finnell remains as the clerk; Capt. Stephen G. Sharp qualified as Marshal; Judge J. H. Tinsley qualified as District Attorney, with Hon. Geo. M. Davidson as Assistant District Attorney. Mr. Walter G. Chapman was reappointed clerk at this place.

DECLINED.

Gov. W. O. Bradley, who has recently moved to Louisville to practice law, was offered the presidency of a big financial trust at a fine salary. After considering the matter for several days, the Governor finally declined to accept, stating that he would prefer to continue in the practice of the law.

REAPPOINTED.

When Capt. Stephen G. Sharp was sworn in on Monday last, he reappointed Col. Con. McCarty, as Field Deputy Marshal. The Colonel has been bustling for your Uncle Samuel for a good long time. We refrain from saying how long, because the Colonel is a gay young fellow and don't want his age discussed.

SHE DIDN'T WEAR A MASK.

But her beauty was completely hidden by sores, blotches and pimples till she used Bucklen's Arnica Salve. Then they vanished, as will all Eruptions, Fever Sores, Boils, Ulcers, Carbuncles and Felons from its use. Infallible for Cuts, Corns, Burns, Scalds and Piles. Cure guaranteed. 25 cents at J. W. Gayle's.

SALES OF REAL ESTATE.

The following property of the old Farmers Bank of Kentucky was sold at public auction on Monday (county court day):

Brick business house on Bridge street, in Williams' block, now occupied as a drug store by Messrs. South & Longmoor, to Messrs. Jno. C. Noel and R. D. Armstrong, for \$2,000.

Brick store room adjoining, now used as dry goods house by Messrs. J. L. Rodman & Son, to Messrs. Noel and Armstrong, for \$2,100.

Brewery dwelling house, on Ann street, to Mr. W. Wilson, for \$1,075.

Brewery bottling house, adjoining to Mr. V. Kaltenbrunn, for \$750.

Vacant lot adjoining and part of brewery property, to Dr. O. H. Reynolds, for \$1,000.

The farm of the late Mr. M. Buttiner, containing 42 acres, on High View, to Mr. H. Clay Wilson, for \$2,000.

These were exceedingly low prices, but will bring good incomes in rents for the new owners.

Cuts and bruises are healed by Chamberlain's Pain Balm in about one-third the time any other treatment would require because of its antiseptic qualities which cause the parts to heal without irritation. For sale by J. W. Gayle and South & Longmoor.

SATURDAY NIGHT'S KILLING

The usual Saturday or Saturday night killing came off on schedule time, about 12 p. m. of that night.

It seems that Wm. Ritchie and Jno. Will Evans, both colored, had a rucus over a dusky damsel, in the course of which Evans stabbed Ritchie, killing him almost immediately.

Evans was arrested and lodged in jail to await the action of the grand jury.

SLIGHT ERROR.

In our statement in regard to the unfortunate Duncan-Kirk shooting, in last week's issue, we stated that Mr. Kirk had gone home and then came back to the grocery store in Bridgeport, when it should have been Mr. Duncan who went home and then came back. Mr. Kirk was on his way home when shot.

This is but a small matter, but we like to be accurate, and we make this correction now.

Our informant led us into the error, as that was the way he put it.

CURED BRONCHIAL TROUBLE

Chas. E. Davis, 1071 W. Congress street, Chicago, says: "I suffered for years with bronchial trouble and tried many kinds of medicines without relief, until I began taking Foley's Honey and Tar, which cured me." South & Longmoor and W. McKee Hardie.

PAINFUL ACCIDENT.

Mrs. I. T. West, Fourth Avenue, was so unfortunate as to have a fall, at her home, last week, and break the small bone of her left leg. While the injury was painful for a time and very inconvenient, Mrs. West is doing nicely now.

ELOPEMENT FAILS.

The first of the week Mr. Frank Rogers, the saloonist, eloped with Miss Drue Long, daughter of Mr. J. Sam Long, of the South Side, but, before the young couple could be married her parents had Chief of Police Mason H. P. Williams to cause their arrest at Lexington, and the girl was brought back home on Tuesday afternoon.

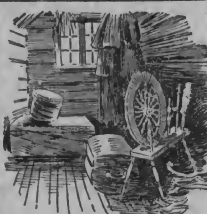

WHITE MAN TURNED YELLOW.

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was Yellow Jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful Stomach and Liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all Stomach, Liver and Kidney troubles. Only 50c. Sold by J. W. Gayle.

It is easier to keep well than get cured. DeWitt's Little Early Risers taken now and then, will always keep your bowels in perfect order. They never gripe, but promote an easy gentle action. South & Longmoor and W. McKee Hardie.

IMPROVING.

Mr. Richard Kirk, who was so badly wounded on Saturday last, by Mr. Ed. Duncan, is improving and good hopes are now entertained for his recovery.

COMMENCED BUSINESS.

Hammond & Co., the new lumber merchants, are now decidedly in the ring, so far as selling lumber is concerned. Their place of business is at Wakefield's old stand. Go and see them when you need lumber.

Many thousands have been restored to health and happiness by the use of Chamberlain's Cough Remedy. If afflicted with any throat or lung trouble, give it a trial for it is certain to prove beneficial. Coughs that have resisted all other treatment for years have yielded to this remedy and perfect health been restored. Cases that seemed hopeless, that the climate of famous health resorts failed to benefit have been permanently cured by its use. Bear in mind that every bottle is warranted and if it does not prove beneficial the money will be refunded to you. For sale by J. W. Gayle and South & Longmoor.

THE GLORIOUS FOURTH.

The morning of the 4th of July (Thursday), was ushered in with lowering sky and a slight rain, but, by 9 o'clock, the rain had ceased and fleecy clouds kept the heat down until it was very pleasant until noon.

At 10 a. m. Black Foot Tribe, No. 67, I. O. R. M., formed in procession, headed by "The Kid" band of local boy musicians and Man-Afraid-of-His-Horse (Bridgeford.) marched through the principal streets of the city and out to Cove Spring Park, where their grand pow-wow was held.

The "White Chief" (J. B. Dryden) and his squaws were a unique feature of the parade.

The "Pioneer Emigrant" (Mr. J. W. Gilpin) was just the real thing.

There was a large crowd present who enjoyed the fun very much.

There was music and dancing, which was kept up until a late hour in the night. A slight shower of rain, accompanied by a high wind, about 2 o'clock, kept the temperature down so that the whole day was one of comfort and pleasure. The small boy had his lining with fire-crackers and kept every body guessing about what would be his next turn.

So far as we could learn there was no casualties of any kind. We can not refrain from commending the "Kid Band." They show evidence of considerable musical talent, and when thoroughly trained, give promise of good work.

What Motherhood Means

Motherhood means either happiness or misery. There is scant happiness for the mother, who in pain and weakness brings into the world a weakling babe which she can neither nurse nor nourish. Dr. Pierce's Favorite Prescription fits women for motherhood. It strengthens the maternal organism. It tranquilizes the nerves, encourages the appetite and brings refreshing sleep. It makes the birth hour practically painless and gives the mother the nourishment to give her child.

There is no alcohol in "Favorite Prescription," and it is absolutely free from opium, cocaine, and all other narcotics. "I would like to express how grateful I am for your kind advice and your 'Favorite Prescription,'" writes Mrs. D. B. Barlick, of Perrow, Campbell Co., Va. "I feel that it has cured me. I had been in poor health for four years. Suffered greatly with my right side, also with bearing down pains, and my nerves were in a dreadful state. After using four bottles of your 'Favorite Prescription' I am now well. I am the mother of two children. The first child I suffered twenty-eight hours, and with the second I used your medicine and was sick only three hours. I believe Dr. Pierce's Favorite Prescription to be the best medicine in the world for suffering females. Thank you great service, and hope that God will bless you in your noble work."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 21 one-cent stamps to cover expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

CHANGE AT WINSTON SCHOOL.

Prof. Geo. F. Winston, of the Winston School, has been elected to the chair of Mathematics, and Mrs. Winston to the chair of Modern Languages at Stephens College, Missouri, one of the largest and best endowed colleges in the South. The Professor has shown his appreciation of the kindness that has been tendered him and his school by the citizens of Frankfort by securing an able successor to his school. Prof. J. B. Cassiday, of Alabama, will take the building occupied by Prof. Winston—the Turner place—and run the school on the same high plane—adopting the same course of study, etc.

Prof. Cassiday is a graduate of one of the eastern colleges, has been principal of a large college for young ladies in Alabama for twelve years. He is an elder in the Presbyterian Church, and has all the excellent testimonials that one could possibly desire for scholarship, business tact and integrity. His wife was educated at a Virginia college, is the daughter of a noted Presbyterian minister. She has added to her accomplishments obtained in this country those acquired by several years study abroad.

We bespeak for Prof. Cassiday the hearty co-operation of all who are interested in building up high grade college in our town. He has taught Prof. Winston out and will be in Frankfort next week.

SMASHED BUGGY WHEEL.

On Tuesday afternoon a horse belonging to the Cumberland Telephone Co. was driven into the alley between the Rupert Grocery Co. and Mangum & Darnell's stable, on Main street, and hit into the wire hitching place. The flies, were bad and the horse became restive. In fighting the flies he became tangled up in the hind wheel of an old buggy standing near and was thrown down, smashing the spokes of the wheel and bending the spindle. Strange to say the horse did not struggle after he fell, and was released by the stable hands, though not until his hind legs were both cut and bruised.

But few horses would have been so tractable, but would have torn every thing to pieces in their struggles.

NARROW ESCAPE.

On Tuesday evening Messrs. Harry G. Tandy and W. L. Grayot, with their wives and little Miss Anna V. Grayot, were out riding in a two horse drag. When they reached the corner of Main and St. Clair streets the hind wheel of their vehicle became caught in the turn of the street car track and, in attempting to drive straight down Main street, the wheel was crushed down. Luckily no one was thrown out of the vehicle, although it was a close call.

Those famous little pills, DeWitt's Little Early Risers, compel your liver and bowels to do their duty, thus giving you pure, rich blood, to recuperate your body. Are easy to take. Never gripe. South & Longmoor and W. McKee Hardie.

TEACHERS ELECTED FOR THE NEXT SESSION.

At a meeting of the Board of Education, on Tuesday night, July 2, the following teachers were elected to serve for the session of 1901-2:

High School—Prof. Geo. C. Downing, principal; Miss Margaret A. Lewis, Miss S. Wallace Smith and Miss Lena M. Lynch.

Grade Teachers—Miss Louise A. Wiard, Mrs. Jennie M. Chinn, Miss Anna Sullivan, Miss Julia B. McClure, Mrs. Lucy B. Sargent, Miss Prue H. Bravner, Miss Ella J. Stephens, Miss Loula M. Nelson, Miss Maude Whitehead, Miss Emma Payne, Miss M. Scott Chinn, Miss Rose M. Crittenden, Miss Mary Lockett Smith, Miss Rebecca S. Johnson, Miss Mary L. McEwan, Miss Rachel Cromie. Supply Teachers—Miss Marie McNamara and Miss Berdie M. Conleton.

Kindergarten—Miss Margaret Page and Miss Bertha Talbott.

Assistant in Drawing—Miss Jessie Cox. The Teacher of Education, Music, Physical Culture and Drawing was not elected, as the Board took time to find some one to fill the place, made vacant by the illness of Miss Hall.

Mr. Sam Stone was elected engineer and Mr. John Haydon Janitor.

These teachers and officers have each and all done their work faithfully and efficiently, and deserve, as they received, a re-election in each case. The only change from last year's force was that Miss Emma Payne was selected to fill the place of her deceased sister.

The Board of Education deserves the thanks of the whole community for their action and will receive it in full measure.

THE STREET FAIR.

Some how or other the idea has gotten out that there will be no street fair this year. We desire to correct this statement right now and here. THERE WILL BE A STREET FAIR, and don't you forget it.

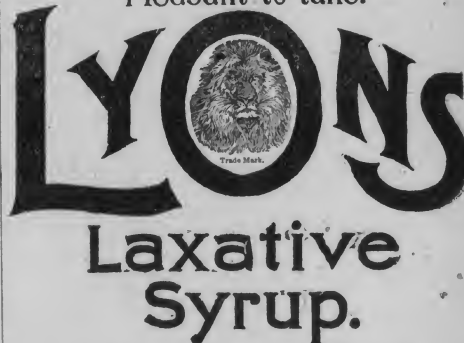

While some other matters have been occupying the minds of the promoters and directors for a time, yet they will come to the front with arrangements for the fair in a short time.

Every one recognizes the fact that the first fair we held was a great success, and how much better the one last year was, than the first, and the promoters promise still better things this year.

We hope that our merchants and business men will be ready to render any and all necessary assistance when the committees call on them to help arrange for a street fair!

DELINQUENTS.

We desire to call the attention of a number of our subscribers to the fact that they are in arrears upon their subscriptions.

We have notified some of them of their arrearages, to which they have not responded.

After this date we shall stop their papers unless they settle their accounts.

There are others to whom we will send notices in a short time, and shall expect prompt responses, or they will be discontinued likewise.

These are small amounts to the individual, but amount to a considerable sum in the aggregate.

VENERABLE AND VALUABLE CITIZEN GONE.

On Saturday night Mr. Thos. Poynter died at his home, near Duckers, of the infirmities of age, having reached the remarkable period of 90 years.

Mr. Poynter was born in Clark county, but removed to this county when quite a young man. He was, at all times and on all occasions, a high-toned, honorable Christian gentleman, a member of the Methodist Church, and a leader in all things making for the good of the community and State.

Quiet and unassuming, yet fearless and true, he commanded the respect and confidence of every one who knew him.

He was the father of a large family of sons and daughters (among them the late Rev. Wiley Taul Poynter, D. D., of Shelbyville), who grew to manhood and womanhood around him and were the comfort and stay of his old age. The wife of his youth died many years ago, but his daughters endeavored in every way to fill her place and to keep him from that desolation that always follows a like sad event.

At the end of life's journey he met the last enemy in the triumphs of the Christian's faith, folding his hands over the tired heart, and falling asleep as the trusting child on its mother's breast.

The funeral services were conducted on Monday morning, after which the remains were taken to Lexington for interment among his kindred gone before.

Mr. Poynter's life was an inspiration, in that he was faithful, earnest and true in all his dealings with his fellows, and (best of all) with his God.

He was the friend of our childhood, and we are proud to know that we retained that regard to the end.

He leaves three sons and two daughters to mourn his death, viz: Mrs. Hunter McIntyre, Miss Sue Poynter; Messrs. John, James

and Hiner.

They have a priceless heritage in the high character of their departed father.

THE GREAT NORTHWEST'S FIRST WHITE CHILD.

One of the most remarkable proofs of the amazing growth of that vast region of our country commonly called the Northwest, with its numerous sisterhood of States and its population of more than seven million people, is the fact that it is only a little more than eighty years since the first white baby was born there. The child was a girl, the daughter of a regular army officer, and she is still living. A fascinating account of her eventful life, the early years of which were spent among soldiers and savages, will appear in an early issue of the Ladies' Home Journal.

IT DAZZLES THE WORLD.

No discovery in medicine has ever created one quarter of the excitement that has been caused by Dr. King's New Discovery for Consumption. Its severest tests have been on hopeless victims of Consumption, Pneumonia, Hemorrhage, Pleurisy and Bronchitis, thousands of whom it has restored to perfect health. For Coughs, Colds, Asthma, Croup, Hay Fever, Hoarseness and Whooping Cough it is the quickest, surest cure in the world. It is sold by J. W. Gayle, who guarantees satisfaction or refund money. Large bottles 50c. and \$1. Trial bottles free.

CLOUD BURST AND WRECK.

On Monday afternoon, just before the F. & C. passenger train reached Switzer, there was a terrible cloud burst, with such a downpour of water that the trestle over a small valley, on the F. & C. railroad, was undermined and the trestle so badly injured that, when the train struck it, only the engine succeeded in getting over, when the tender and the baggage car fell with the trestle. The water was some five feet deep and running like a mill-tail.

Mr. W. T. Reading, jr., who was acting as express messenger in the absence of the regular messenger, Mr. Church Tinsley, was thrown out of the car door and down the valley into the roaring cataract. He was badly bruised on the right side of his head, but swam out.

Capt. Petty, the conductor, was cut and bruised up considerably.

Wonderful to relate, no one was killed, although there were about fifty passengers on the train, who were all shaken up pretty well.

Deputy U. S. Marshal, Gen. McCarty was on the train, returning from Covington, and had a very narrow escape, as one of the steel rails crashed through the car window and only missed his head about six inches.

The wrecking train was sent out and the road and trestle repaired.

The section hands had passed over the trestle on a handcar a short while before.

ANOTHER BIG SHOW FOR LOUISVILLE.

The Louisville Interstate Fair, which is to be held in Louisville September 28d to October 5th next, under the auspices of the Louisville Merchants and Manufacturers Association, and the Kentucky Live Stock Breeders Association, promises to be America's grandest exhibit of live stock products. The Executive Committee have decided that the fair shall take place on Churchill Downs, the spacious, thoroughly equipped and accessible grounds of the new Louisville Jockey Club, where thousands attended the successful race season just closed. Everything possible will be done for the safety and comfort of visitors: experienced fire and police departments will be installed upon the grounds, affording ample protection to all persons and property. Substations will be established by the express companies, which will furnish convenient shipping facilities. The nominal admission charges, together with very low railroad and steamboat passenger rates, will certainly do much to increase the volume of attendance, while the offers of large premiums and cheap shipping rates will draw exhibitors in unprecedented numbers.

The cattle show will be particularly fine and extensive, and will be held during the first week of the fair, from September 28th, both inclusive, under the direction of the Kentucky Live Stock Breeders Association, and during the week there will be mammoth sales of live stock, including beef and dairy cattle, horses, jacks, mules, sheep and swine. There will be \$15,000 given in cash premiums at this show.

The fair, generally, will be a "Simon Pure" old fashioned country fair, with up-to-date and novel attractions. While the exact features can not yet be announced, it may be said that among them will probably be speed contests on an illuminated track, including bicycle, automobile, Roman chariot and standing races, as well as running, trotting and pacing exhibitions; there will be a magnificent Roman Carnival, and a large number of thrilling mid-air acts, and attractions of high order of merit, it having been determined by the promoters to tolerate no immoral or fraudulent exhibitions on the grounds.

There will be \$2,500 given away in prizes October 4th and 5th in the champion amateur athletic meet, in which America's greatest athletes will compete. Transportation will be furnished qualifying athletes.

We are assured by the management that no pains or expenses will be spared to make this fair one of the largest and grandest ever attempted in this country.

CURE FOR CHOLERA INFANTUM—NEVER KNOWN TO FAIL.

During last May an infant child of our neighbor was suffering from cholera infantum. The doctors had given up all hopes of recovery. I took a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy to the house, telling them I felt sure it would do good if used according to directions. In two days time the child had fully recovered. The child is now vigorous and healthy. I have recommended this remedy frequently and have never known it to fail.—Mrs. Curtis Baker, Bookwalter, Ohio. HONORED CITIZEN OF CALIFORNIA DIES.

The San Francisco Examiner contains the following:

WILCOX—In this city, June 24, after a long illness, Joseph R. Wilcox, beloved brother of John W. Wilcox, a native of Kentucky, aged 75 years and one month, (Mariposa, Cal., and Frankfort, Ky., papers please copy.)

* Funeral to-morrow (Wednesday), at 2 o'clock p. m., from his late residence, 2887 Mission street, thence to Odd Fellows' Cemetery for cremation. Please omit flowers.

Mr. Wilcox was a Franklin county boy; was raised by the late Capt. John W. Russell, and was a brother of Mrs. Doctor U. V. Williams. He emigrated to California with the 49 "Forty-Niners," where he made his home and success ever after in San Francisco. Only one brother, Hon. John W. Wilcox, survives. A large family of eight children, all left double orphans, when Mrs. Williams was a babe. He only returned to his old home once in his 52 years absence, which was in 1870. He was a man of sterling integrity and uprightness of character, and reflected honor, by his life, on his native State. But few remain of that group of 49 boys. Three have passed away, within the last year, of the Frankfort survivors, viz: W. Stapleton Johnson, F. M. Scofield, H. R. Williams.

A POOR MILLIONAIRE.

Lately starved in London because he could not digest his food. Early use of Dr. King's New Life Pills would have saved him. They strengthen the stomach, aid digestion, promote assimilation, improve appetite. Price 25c. Money back if not satisfied. Sold by J. W. Gayle.

THOSE SMART BABIES.

L. J. Irwin, General Passenger Agent, and George Macdonald, General Advertising Agent, of the L. E. & St. L. Ry., have created a scheme which will make every mother in the land thank her baby to talk and then listen to what it says.

These men are going to issue a book entitled "Smart Savings of Smart Children Under Five Years of Age." In order to get all the smart babies to say smart things Mr. Irwin has offered a prize of \$10 to the smartest baby, saying the smartest thing. To the next smartest baby saying the smartest thing a prize of \$5 will be given. Pictures of smart babies will be printed in the book and each baby will receive a copy of it.

Mr. Irwin and Mr. Macdonald will remain here until the contest is closed, and the prizes awarded, after which they will leave the city until the storm blows over. The names of the judges will be kept a secret forever.

THE LION GOT LOOSE.

At a recent exhibition in one of the large eastern cities, the lion got loose and created a panic among the vast number of spectators present. Fortunately no one was hurt, though many were frightened. Such exhibitions should not be allowed. Authorities should see to it that these trained wild animals shows are conducted like the one at the Lexington Horse Show, Fair and Carnival, August 12-17, under the management of the Animal King. Every beast of the field and forest will be seen there, and all work in perfect harmony. It's the grandest exhibition of animal training ever seen.

AN AUTHOR AS WELL AS AN ARTIST.

George Gibbs, whose charming picture on the cover of the Ladies' Home Journal for July has so successfully caught the spirit of summer days at West Point, is one of the growing band of American artists who are also authors. Hitherto his special field has been the naval side of ocean life. He is a young man a comparative new comer in the ranks where F. Hopkinson Smith, Howard Pyle and Frederic Remington are veterans. But his early promise as an illustrator, as well as a writer, is already bearing fruit.

The blood is strained and purified by the kidneys. No hope of health while the kidneys are wrong. Foley's Kidney Cure will make healthy kidneys and pure blood.

THE BEST REMEDY FOR STOMACH AND BOWEL TROUBLES.

"I have been in the drug business for twenty years and have sold most all of the proprietary medicines of any note. Among the entire list I have never found anything to equal Chamberlain's Colic, Cholera and Diarrhoea Remedy for all stomach and bowel troubles," says O. W. Wakefield, of Columbus, Ga. "This remedy cured two severe cases of cholera morbus in my family and I have recommended and sold hundreds of bottles of it to my customers to their entire satisfaction. It affords a quick and sure cure in a pleasant form. No family should be without it. I kept it in my house at all times." For sale by J. W. Gayle and South & Longmoo.

Daily trains leave Louisville 1:00 p. m., 3:15 a. m., Cincinnati 4:30 p. m., 8:30 a. m., for Buffalo over L. & N. Pennsylvania-Erie Lines—The Akron Route. Round trip tickets may be obtained over it to Chautauqua Lake, Buffalo, Niagara Falls and Canadian resorts. Ask C. H. Hagerty, D. P. Agt., Louisville, Ky., or Geo. E. Rockwell, A. G. P. Agt., Cincinnati, Ohio, for information about fares, etc.

QUESTIONS ANSWERED.

Yes, August Flower still had the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac. J. W. Williams & Co. 42-ly

THE WILD VAPORINGS OF THE ANGRY ARGUS.

The editor of that notoriously partisan sheet, "The Western Argus," in a recent editorial headed: "Would be Fugitives if They Could," displayed his ability to conceal the facts, misrepresent and distort the truth more ably, perhaps, than he has ever done before, with his unusual talent along that line.

If it ever be made a crime to tell the truth, to treat ones' fellow-man with courtesy and fairness, that gentleman will be in no danger of punishment for a violation of that law. But if there ever be a premium put on falsehood and misrepresentation, a cruelty to, at least, a part of humanity about him, "No other Irishman apply."

So utters a lamentable groan that the "organs of assassination, rapine and murder," have uttered a hue and cry about the treatment of Caleb Powers and James Howard, in the Franklin county jail, and about their alleged attempt to escape therefrom.

He utters, with brazen effrontery, that Jailer Lawrence "had received reliable information that Powers and Howard were contemplating a run for liberty," and that "it is nobody's business from whom it came."

While Jailer Lawrence, speaking for himself in an interview with a Herald reporter, says, in speaking of the alleged plot to escape: "That's more rumor than any thing else." And when asked "do you believe there was any such plot?" he shook his head and added: "I think it was a little feeling among the prisoners, or one of them."

This Jailer says that he is now satisfied that there was no plot, while the knowing editor of the truth-loving Argus affirms that there was a contemplated break for liberty. And in his vehement effort to convince his readers that he knows more concerning the happenings about the jail than the jail authorities themselves, and to convince them further that Powers and Howard were preparing to bid adieu to the jail, he is, in the light of that lazy moon, he eloquently fails to state that both Powers and Howard were sound asleep at the time of their alleged attempt to escape. The brilliant editor willfully omits to mention that every prisoner, over thirty in number, both Democrats and Republicans, who are daily thrown with Powers and Howard (except one, a Goebble, who wanted the position of guarding them, and was disappointed), have signed a written statement saying that they are thoroughly satisfied that there was no plot to escape contemplated by either Powers or Howard.

This same truth-serving and justice-loving editor, whose duty it is to give his readers the truth, studiously conceals the fact that at the time of the alleged attempt to escape a careful search was made of the cells of both Powers and Howard, and that a rod was found out of place, not a single instrument discovered, with which they could possibly have made their escape.

They were sleeping on the third floor of the jail under a guard selected by the Jailer himself, and paid for by Powers and Howard. They did this in order to preserve their health, a duty which every man owes to himself. They did it in order to be removed from a foul and loathsome part of the jail one virtually without ventilation and filled with vitiated and impure air—one whose atmosphere is hourly contaminated by the vile eruptions of an open-mouthed sink.

They were glad to pay for the privilege of being removed from this Black Hole of Calcutta. Should the humane act of removing them from such a place, on the part of the Jailer, on the efforts to keep in tact their health, or the more suspicious of an attempt to escape, which have proven groundless, be converted into weapons of exciting the passions and prejudices of political hatred against men who are pleading for fair and impartial trials, by cool and dispassionate men?

When they were tried before the people, were charged with passion and their blood was hot with hate. Who would ask that this state of affairs continue? What Kentuckian—what honest Kentuckian—wants the illegal trials of one year ago repeated? What fellow man will call these men criminals, when under the laws of this State they are now presumed to be innocent? If they are guilty it has never been legally proven, and until that is proven, like other men accused of crime—they are entitled to the presumption of innocence. And he who attempts to overthrow that presumption, other than in a fair and impartial trial, is an enemy to the best interests of his country, and is a murderer at heart.

We should be careful how we

make accusations. It is a serious thing to do. It is our duty to uphold, rather than tear down the social fabric.

If a pure-hearted girl, in some evil moment, should step aside from the pathways of rectitude and honor, it is the duty of her neighbors to regain, not to ruin her.

If men are accused of crime, they should not be branded as criminals by recklessly written articles, which the laws of the country presume them to be innocent.

Let the passions of one year ago subside. No man can have a fair trial with the hot blood of hatred and revenge leaping in every vein of those who try him. We want a fair, unbiased, impartial trial for all who are accused. Without this barrier no citizen is safe. Hence, it is the liberty you! what is more—the life of every individual is in danger—even that of the embryo editor of the sluttish Argus. J. S. TICH.

TO OUR PATRONS.

The Frankfort Telephone Co., appreciating your patronage and desiring to meet the demand for its service in a manner worthy your support, and the growth which is annually ours, have leased new quarters on the southeast corner of Main and St. Clair, where we purpose installing our new plant, which will be absolutely up to date.

This work of re-installing the plant is a tedious and delicate undertaking, and the service will, of necessity, be below business standards during that time. This work is in the line of improvement, however, and we ask your indulgence for a little while, when we will give you service of the highest standard. The company claims no credit for the work, as has already done. Coming into the field less than three years ago, it has built up an exchange of over three hundred connections in this county, and has reduced the rentals to \$10, \$15 and \$20 per year, city connections, a rate that is practicable and within the reach of the people. We have planned extensive work in the county. Contracts have been made, and the work of connecting every community in the county has actually begun, and will be completed during the summer.

We recognize the favor of your patronage and appreciate your kindly desire to forward us, and will endeavor to merit it in our business and personal relations. Very truly,
THE FRANKFORT TELEPHONE CO.

By a circular from General Passenger Agent L. J. Irwin, we learn that Mr. I. B. McKitterick has been appointed City Passenger of Louisville for the "Henderson Route," with office at No. 223, Fourth Avenue.

BUYS A HOME.

Mr. Fred Sutterlin, on Tuesday, purchased the two story brick house of Mr. R. K. McClure, situated on Wilkinson street, next door to Mrs. Florrie Rodman, for \$2,000 cash.

DeWitt's Witch Hazel Salve should be promptly applied to cuts, burns and scalds. It soothes and quickly heals the injured part. There are worthless counterfeits, so be sure to get DeWitt's. South & Longmoor and W. McKee Hardie.

TRUE AS GOSPEL.

There is no reasonable excuse for a man to live in a town if he doesn't like it. If you have a word of commendation to say of your town, emigrate. You won't stop the town clock by going away. The church bells will have the same musical ring, the little dogs will play as briskly, the fish in the creek will bite just as well, and the pure air, bright sunshine and sparkling water will have the same health-giving properties. Speak a good word for your neighbors, if you can; if you can't don't everlastingly enlarge on their faults. If you have become thoroughly sour and disgruntled, move away; go somewhere where things suit you.—Ex.

BRYANT STATION.

Mrs. W. O. Vanglin and family, of Lexington, who have been visiting near our station for several days, have returned home.

Our community was visited by a considerable wind and rain last Friday, which was a great disadvantage to the wheat crop.

Mr. Jack Cranmer returned home Wednesday from the Philippine Island, where he has been in the military service for two years.

Miss Etta Allison will teach again at Pen Ridge this fall. This proves that her efforts were very satisfactory, as her patrons have employed her a second time.

In consequence of Miss Katie's absence, Ed is looking rather melancholy. Cheer up, old boy, and next time keep your engagement and she won't disappear so suddenly.

Mr. Leslie Miles and sister, of Pleasant Ridge, attended services at Mt. Zion last Sunday.

Bro. Stafford, pastor of Millville Christian Church, addressed quite a large crowd of people Saturday night, Sunday morning and night at Mt. Zion church.

Mr. Willie Stigers went to Switzerland Saturday to visit his mother, but came back early Sunday evening for he knew that Miss Mary was waiting for Willie to come, with the sweetest of smiles.

Mrs. Fannie Mitchell and sister, Mrs. Bettie Young, spent last week with Mr. Terrell Mitchell and wife, of Woodford county. They also spent Friday in Millville the guests of Mrs. Alice Goin.

The remains of Mr. Walter Bowers, brakeman on the C. & O. road, who met with a fatal accident in which he sustained fatal injuries, were brought to Hatton Sunday morning and laid to rest in the Stigers graveyard, by the side of his wife, who preceded him to the grave two years ago. Mr. Bowers was a noble type of manhood. Four years ago he was happily married to Miss Joanna Clark, formerly of Frankfort. To that union was given a little son, now left without parental protection. Yet the Lord has promised him to be a father to the fatherless, and we trust that little Harry may find loving hands ever ready to care for him.

* MOLLY YOGUM.

"I wish to truthfully state to you and the readers of these few lines that your Kodol Dyspepsia Cure is, without question, the best and only cure for dyspepsia that I have ever come in contact with, and I have used many other preparations." John Beam, West Middlesex, Pa. No preparation equals Kodol Dyspepsia Cure as it contains all the natural digestants. It will digest all kinds of food and can't help but do you good. South & Longmoor and W. McKee Hardie.

COURT DAY.

Monday was court day, but, without one's being told it, you would never have known it, as there was the smallest crowd present in years.

BEAUTIFUL SWISS AND ITALIAN VIEWS.

Form the earliest times Switzerland has been famed for the majestic grandeur of its mountain scenery, and Italy for the ravishing beauty of its many lakes. The very names of the Bernina Hospice, St. Moritz, the Jungfrau, Lake Como, Lake Maggiore, the Lake of Lucerne call up entrancing visions of marvelous valleys, peaks and glaciers, frowning mountain passes, castled shores, and gleaming stretches of glassy water under soft, azure skies. To see these enchanting sights even in pictured form is to introduce a broadening influence and a wider outlook into one's life. In a forthcoming issue of the Ladies Home Journal a vivid idea of the Engadine Valley and of some of the Swiss and Italian lakes will be given in a double-page of the most remarkable views ever secured of the most wonderful and lovelier portions of these world-renowned regions.

"I am indebted to One Minute Cough Cure for my present good health and my life. I was treated in vain by doctors for lung trouble following laryngitis. I took One Minute Cough Cure and recovered my health." Mr. E. H. Wise, Madison, Ga. South & Longmoor and W. McKee Hardie.

JAPAN GONE TO WAR.

Japan has gone to war again. While the government gives out what it deems to be a just cause, the fact in the case is that they are squabbling and fighting because that Imperial Japanese Troupe, the pride of all Japan, has just come over to this country and will give free exhibitions at the Lexington Horse Show, Fair and Carnival, August 12-17. Juggling, balancing, wire walking, screen dancing, etc. (about 20 specialties in all), forming one of the most interesting exhibitions, and it is concluded by a most sensational "Slide for Life Act."

WOMAN'S RIGHTS.

Many women suffer all sorts of so called "female weaknesses" just because their kidneys are out of order and they have a right to know Foley's Kidney Cure is just what is needed by most ailing women. South & Longmoor and W. McKee Hardie.
